MOTION CARRIED

Review of Municipal Code Parking Rules

The Commission discussed the various issues regarding the parking rules in the Municipal Code. The current code has many exceptions and different rules for different areas of the Town. They determined that the goal of the revision is to simplify the rules and make them fair and enforceable. Commissioner Nielsen will provide a draft of revised code sections for consideration at the next Commission meeting. Staff will draft a letter to residents for review.

Emergency Management

Commissioner Swenson reported on updated information regarding emergency preparedness. It is suggested that residents in this area have 10 days of supplies in case of a major emergency. He also reported that there will be a major regional drill on June 6 and 7, 2016. The City of Medina is interested in getting the names of architects, civil engineers and structural engineers who can help survey properties after a major event such as an earthquake. He suggested sending out a message to residents about these issues. They are also looking for ham radio operators to help during an emergency.

ADJOURNMENT

MOTION: Move to adjourn the meeting at 7:01 pm. Moved by Frantz, seconded by Schneider.
